- Workbooks including student worksheets, teacher's notes and answer sheets

Usborne English

Usborne English is a selection of titles from the bestselling **Usborne Reading Programme**, offering extra support to learners and teachers of English.

There are both **fiction and non-fiction titles** available at five different levels, from Elementary to Advanced. These allow students to develop their reading in English, **building vocabulary and stamina** as they progress through the levels.

The books may be used **in classes or for independent study**. Audio CDs develop listening and speaking skills, and downloadable worksheets test comprehension and provide writing exercises and other activities.

Why choose Usborne English?

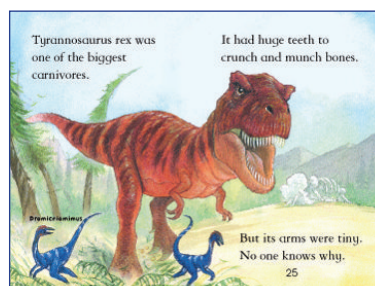

- The books are written in **authentic, natural, conversational English**, but have a comprehensive underlying framework in order to support students' language development.
- The **framework allows pupils to progress and gain confidence level by level**, not only in terms of overall length but also complexity of plot, sentence structure, vocabulary and grammatical structure.
- **Lively writing and superb full-colour illustrations** capture the reader's interest, and motivate and encourage to read on and read more.
- The **variety of subjects and genres** offers something for everyone, allowing pupils to pursue their own interests – a priceless motivational tool.
- Fluent, well-constructed prose provides **a sound model for students' own speaking and writing**.

Reading in English is one of the best ways to develop a broad **knowledge of the language**, an extensive **vocabulary** and **confidence with grammatical structure**, as well as familiarity with stories read by millions of English children through the ages.

Usborne English makes it easy – and fun.

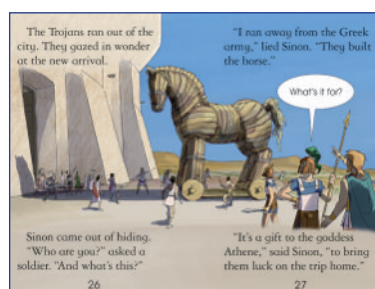

How Elephants lost their wings (Elementary level)

Dinosaurs (Lower Intermediate level)

The Reluctant Dragon (Intermediate level)

The Wooden Horse (Upper Intermediate level)

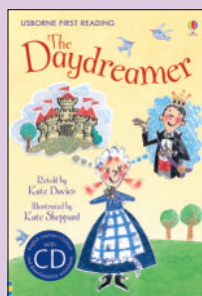

The Wind in the Willows (Advanced level)

Lexile® measures

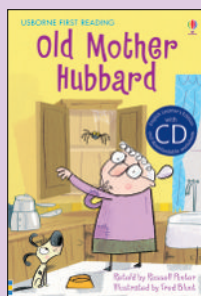

All Usborne English titles have been assessed for their level on the Lexile Framework for Reading, the largest internationally recognized measure of readability. Lexile measures are given in the chart on the right in the format 000L. Find out more at www.usborne.com/lexiles

Audio

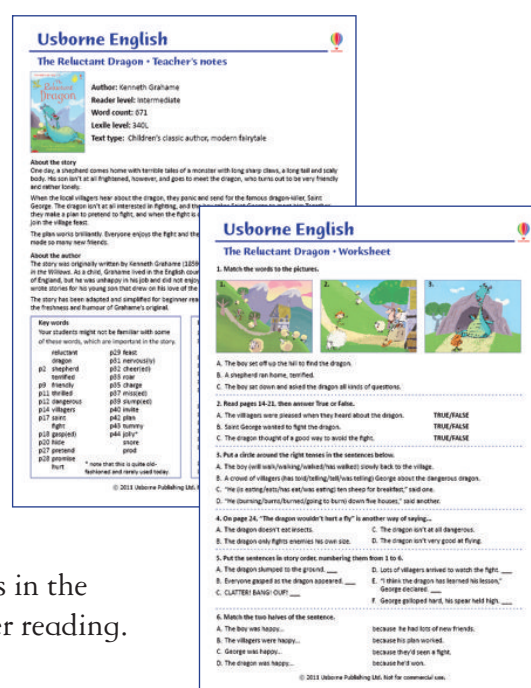

The CDs accompanying the books have **full readings of the text by native speakers** in both **British English** and **American English**, at a steady and natural pace and with a page turn signal so that students can follow the story in the book as they listen.

After the story, at Elementary to Upper Intermediate levels, there is a selection of phrases to repeat for pronunciation practice.

The Usborne English website

Worksheets and teacher's notes for each title are available to download from the Usborne English website, www.usborne.com/englishlearnerseditions

- **Teacher's notes** provide background information about the story and the author, highlight key words and phrases in the story and suggest questions to ask before, during and after reading.
- **Worksheets** offer a range of questions designed to test understanding of the story, practice specific grammar structures and encourage independent writing.
- **Answers** to the comprehension and grammar questions are provided on a separate downloadable sheet.

Collected Teacher's notes and Student's worksheets

Each of these two volumes brings together the teacher's notes and student's worksheets for twelve titles, across four levels, in **photocopiable format**. Worksheet answers are given at the back of the book.

English language reference

Usborne also offers a wide range of reference titles to support English language learners.

- **Wordbooks** make it easy to build vocabulary by means of vivid illustrations and detailed scenes showing objects in context. All Usborne wordbooks have pronunciation guides, read by native speakers, on the Usborne Quicklinks website, www.usborne-quicklinks.com
- **Dictionaries** at all levels offer clear explanations, helpful illustrations and examples of how words are used.
- **Spelling, grammar and punctuation guides** provide friendly, easy-to-remember explanations and exercises on points that even native speakers find confusing.
